

Mississauga ARES Net Script

Mississauga A.R.E.S. Net Preamble

Calling the Mississauga ARES net, calling the Mississauga ARES Net. This is (Call Sign), my name is (Name), Net Control for this session.

This is a RAC ARES Net dedicated to public service, traffic handling, and training for emergencies. This net is called every Sunday evening at 8:15 PM on the VE3MIS repeater with a frequency of 145.430 MHz -600 and a tone of 103.5.

This is a directed net . . . Please do not transmit unless asked to do so by net control. At anytime, stations with Emergency or Priority traffic should wait until there is a break in conversation then identify with your callsign followed by the word TRAFFIC, for example, VE3NI TRAFFIC, and we will stand by to assist you with your immediate problem.

Re-checks will be taken by call sign only

I call now for any Formal Traffic?
